

STAFF SPOTLIGHT

The Southampton Union Free School District strongly believes that our future leaders benefit greatly from an education that involves EVERY member of the school district community. Knowing this, each staff member takes great pride in playing a role that directly influences student growth. Through our Staff Spotlight series, we will introduce the community to these dedicated employees, starting with the newest members of our Southampton team. Each individual joins our district with skills and experience that will enable our students and district to flourish.

Family: I live in Southampton with my family.

Hobbies: Having played individual and team sports as a child, I continue to enjoy running, cycling and swimming.

Career aspirations as a child: Growing up in Water Mill, I benefited from the numerous school and community fitness and sport programs offered in our town. Having participated in so many of these programs, it has always been of personal value to have an opportunity to give back. Working as a physical education and health teacher gives me the chance to provide some of those same experiences to today's youth.

Reason for selecting Southampton: As a graduate of Southampton Public Schools, it is an honor to be teaching in the community that I grew up in.
